

Lists of Rejected candidates for the post of Scientist advertised vide Advt. No. 10/2020

Following

are the lists of rejected candidates, based on the criteria set by the Screening Committee constituted for the screening of the applications received for the post of Scientist against Advertisement No. 07/19.

Post Code : 001 Area : Neurobiology Post Name : Scientist

Criteria adopted by Screening Committee to shortlist candidate for interview:

1. Candidates must meet the essential qualification as per the advertisement
 2. Candidates must have at least one first author or co-first author or corresponding author research publication in SCI journal with 5 year average impact factor (as per Web of Science-JCR 2020) more than 4.
- OR
3. Candidate must have at least 2 first author or co-first author or corresponding author research publication in SCI journal with 5 year average impact factor (as per Web of Science-JCR 2020) more than 3.
 3. Candidate must have research expertise (demonstrated by research publication) in the investigation of disease biology or drug discovery in the area of major depression or addiction or psychosis or chronic pain or neuroendocrine regulation or neurodegeneration or neuroinflammation or Cerebral Stroke.
 4. Candidates who have exceeded the maximum age criteria by 2 year or less as per advertisement for this post, must have at least 1 first author or co-first author or corresponding author research publication in SCI journal with 5 year average impact factor (as per Web of Science-JCR 2020) more than 10.
